Square Butte Community Association
Snow Clearing Details

We need volunteers to help clear snow around the Square Butte Hall entrances and walkways.

- The shifts are broken down into 2-week increments. (click here to signup)
  If it doesn't snow during your shift, you don't need to do anything.
  *Everyone who signs up for a snow clearing shift will be entered for a chance to WIN a $150 Cash Voucher (draw date at Nov 2027 AGM)

- Please clear snow within 48 hours of snowfall or just before an activity/use of the hall, whichever is sooner. (click here to check hall website calendar for hall usage)

- Here are the areas that need to be cleared. (Click here to download snow clearing map)
  1. Main Entrance & Steps & Concrete pad
  2. Ramp
  3. Disabled parking stall (all other parking areas are cleared by Foothills County)
  4. 4ft wide walkway from Ramp to East-Side Entrance
  5. 4 ft wide path from East side Entrance to North Entrance & Steps
  6. South Entrance – (back side of building) Clear steps and doorway
  7. Clear 6ft x 8ft area on west side of fence by black hall sign so we can change the letters on the sign (the sign swings around)

- All equipment is at the hall. We have snow shovels, a 12inch electric snow blower (for the path) and grit.
- Please notify us if you are unable to fulfill your shift.
- You will be given access code to the hall if you need a washroom, phone, and an extra shovel is kept in the basement mechanical room.

If you have any questions, please contact me. Thank you for volunteering!
